

# Marks of a Disciple / Lesson 6: “Missional Heart”

## INTRODUCTION

### JESUS CAME TO SEEK AND SAVE (Luke 19:10)

Describe your stage of life. Where has God called you to serve and what opportunities has He given you?

### Jesus Came Seeking The Lost (Luke 7:34)

What does John 7:34 tell us about Jesus' relationship with lost people?

How would you characterize your relationship with lost people?

What are some ways Christian men can make time and space to welcome and befriend the "tax collectors and sinners" of our day?

### Jesus Came Saving The Lost

What practical ideas do you have for a man who is trying to share the gospel with those he interacts with? How can we do this better?

When you think about most of the men you know, how would you describe the life mission they are pursuing? How might you need to adjust your mission to more closely align with Jesus' mission?

# JESUS LOVES THE LOST

## Jesus and Complainers (Luke 15:1-2)

Why do you think that people far from God were comfortable around Jesus?

What made the Pharisees so incensed about the company Jesus kept?

Why do many "religious people" today distance themselves from sinners?

Why is the desire to distance actually counterproductive to our mission?

## Jesus and the Lost (Luke 15:3-7)

What does this parable teach us about the heart of Christ?

What would change about your heart for the lost if you spent the next week praying for those in your life by name every day?

## PERSONAL REFLECTION

How many friends do you have outside of church circles? How often are you praying for and seeking opportunities to share Jesus with them?

What hesitations do you have about getting involved in Jesus' mission for the lost? Be honest with yourself.

What talents, hobbies, or interests has God given you that you could use to engage lost people?
